Today, I asked this removalist to move in&out for my new place. They came with a truck and 2 men. the team leo and fernando, they are very kind and so professional. The price is very affordable. I think it's cheapest in goldcoast. It's so recommendable.

The Lion Removals boys are amazing!!! They exceeded my expectations!! Very professional, efficient, and careful with everything.

I received a quote from Lion Removals within couple minutes of contacting them. The quote was very competitive, and I was happy to book them.

On the day of the move, the movers arrived on time and were ready to work. They were very careful with my belongings, and they took the time to wrap everything up securely.

The boys were very efficient and never stopped going! They had all my stuff moved in just a few hours. They even helped me unpack a few boxes when I arrived at my new place! Saved me a lot of work! lol

I would definitely recommend them!!! Best experience I've ever had moving on Queensland.

I'm extremely satisfied with the service provided by Alan and Mateus: kind, careful and honest. If you are looking for a quality and reliable service, this is the best company. On my next move I will call Lion Removal again as I have become a loyal customer.
